Professional Summary

Java Full Stack Developer with hands-on experience building web applications using Spring Boot, React, and MySQL. Strong in REST API development, JWT-based authentication, and frontend-backend integration.

Internship

Java Full Stack Developer Intern – Future Invo Solutions

Dec 2025 – Present

- Built a Learning Management System (LMS) with modules for courses, students, exams, fees, and transport
- Designed relational database schema with proper entity relationships
- Developed REST APIs for student enrollment, exam workflows, and fee management
- Implemented JWT-based authentication and role-based access control using Spring Security
- Integrated React frontend with backend APIs using Axios
- Tested and debugged backend APIs using Postman.

Java Full Stack Developer Intern – Ramana Soft

Jun 2025 – Oct 2025

- Developed REST APIs for authentication, product management, and order workflows using Spring Boot
- Implemented role-based login for farmers, buyers, and vendors with custom validation
- Designed and optimized MySQL tables with proper relationships and queries
- Built reusable React components for login, registration, shopping cart, and order history.
- Integrated frontend with backend APIs including loading and error handling
- Tested and debugged backend APIs using Postman.

Project

Employee Management System (Spring Boot + React + MySQL)

- Developed CRUD APIs for employee add/update/delete/search with validation rules.
- Implemented layered architecture (Controller → Service → Repository) for clean structure.
- Designed normalized MySQL schema with foreign keys and indexes.
- Added global exception handling and meaningful HTTP responses.
- Built a responsive React UI with reusable form and table components.

SKILLS

- **Backend:** Java, Spring Boot
- **Frontend:** React.js, JavaScript, HTML, CSS
- **Database:** MySQL
- **Tools:** Postman, VS Code, Git, Github

Education

Miracle Educational Society Group Of Institutions (JNTUGV)	2022 –2025
Bachelor of Technology in Mechanical Engineering	CGPA: 7.6
M.B.T.S Government Polytechnic, Guntur	2019 –2022
Diploma in Mechanical Engineering	CGPA: 8.3
New Horizon (E.M) High School, Visakhapatnam	2018-2019
SSC (Secondary School Certificate)	CGPA:8.7

CERTIFICATIONS

- Java Full Stack Development — IHUB, Quality Thought
- Full Stack Development Masterclass — NoviTech R&D
- Java Developer Internship (Best Performer) — Elevate Labs
